at 10875 Smoketree Drive Hesperia, Calif. 92344

Kail Palmer-Miller will be giving clinics Sunday after our ADT. She holds a large R certification with the ADS and the USEF in Pleasure Driving, Combined Driving and Dressage judging. She has competed since the age of eight driving singles, pairs, tandems, unicorns and four-in-hands. She is a member of the World Coaching Club, an invitational club formed by ladies who drive their own four-in-hand and coach. She was Chef d'Equipe and Coach for team USA at the World Championships for Drivers with Disabilities bringing back a gold medal.

Check out her web site equineconsulting.org for more information about Kail. She is very knowledgeable; so come out and lesson, or stay over after the ADT and drive with her. Auditors welcome.

Lessons can focus on whatever you would like to address. The dressage field & hazards will be available with the cones field set up for warm up. Each lesson will be 45 minutes long. Expect to warm up on your own before your lesson, ready to go to work when your scheduled time comes. Cost will be \$75.

Checks payable to the Whip'r Snapper Driving Society
